

## Breaking Ground 2010

Call for Choreographic Work and  
Dance Films

Deadline: Postmarked by September 20,  
2010

CONDER/dance is pleased to announce our search for choreographic and dance film work for the 4<sup>th</sup> annual *Breaking Ground 2010*.

We are looking for choreographic work to be performed in traditional and non-traditional spaces as well as dance film from across the nation. These pieces will be fully produced in the Tempe Center for the Arts on December 10 - 11, 2010. *Breaking Ground 2010* is curated by the artists and board members of CONDER/dance.

CONDER/dance is accepting four types of entries: 1) previously performed work 2) new work to be premiered at Breaking Ground 2010 3) dance films 4) work to be performed in non-traditional settings. We will be presenting two different nights of repertory so choreographers are encouraged to submit more than one work for selection. Submissions for new work include a detailed proposal of the new work plus **two** examples of the choreographer's past work.

Entry fee for one submission is \$50. There is a \$20 fee for every submission following the first entry. If accepted into the concert, there will be no production fees required. CONDER/dance cannot fund travel expenses for groups coming in from out of town. All entries must be postmarked by September 20, 2010.

We anticipate hosting another weekend full of beautiful work. This concert has been very well received in previous years by substantial audiences. We look forward to building on each year's success.

Thank you for your consideration and we look forward to viewing your work.
